

Training Needs Assessment for Parents and Staff

Sevier County Schools/Department of Special Education

Please complete the following statements as fully as you can. We're trying to work out what training to offer for the 2004-05 and 05-06 school years. We would also like to know what you thought of any developmental activities you have had recently. Your input will help the SpEd Department plan inservice and other training. Thank you!

Name: _____ School(s) (initials okay) _____
Parent/Guardian ___ Assistant/Attendant ___ SpEd Teacher/Certified Staff ___

1. I have the following suggestions for programs to address system-wide Special Education issues (check those suggested and/or write in your own for this and #2):

- Behavior Management/Positive Behavior Support
 Changes in SpEd laws, rules, paperwork requirements
 Training in a specific disability _____

2. These are issues I feel need to be addressed within my school assignment [or at your children's school(s) for parents replying]:

- Safety for SpEd students
 SpEd students' access to/use of school's common areas
 General Education teachers' involvement in SpEd planning, delivery

3. I could deliver a staff development/parent training activity concerning:

4. The best training I went to during the past two years was (give the topic, location, and trainer; also explain why it stands out):

5. The worst training I attended during the past two years was (give the topic, location, and trainer; also explain what was wrong with the session):

PLEASE RETURN TO JEFF ROMANCZUK, TLC (fax 453-3112), BY NOVEMBER 26.
